In the past, the Selectmen of Sandown have dedicated the Town Report to a person who in their opinion has given outstanding service to the Town.

This year, we are proud to be able to dedicate this report to a man who has contributed many years of useful service to the Town of Sandown.

JAMES L. PAINE

Jim started his duties in local government as a Supervisor of the Check List in 1938, performing in this capacity for several years. He was then elected to the office of Selectman, during which time he served the Town faithfully and well - for a total of 24 years.

We trust that the message on this page will disclose a portion of the appreciation that we, the residents of Sandown, have for him - and we sincerely hope that we may be favored with the benefit of his wise counsel for many years to come.

We would also like to express our gratitude to Edith D. Love, who has given nearly 40 years of conscientious service as Treasurer of the Sandown School District, performing these duties until Sandown became a part of the Timberlane School District in 1965.

LIBRARIAN'S REPORT

Sandown Free Public Library has served many residents during the past year. I am happy to report that the Trustees and Librarian have worked and planned together toward the goal of good library service for our town.

Through our participation in the Statewide Library Development Program, we continue to receive the benefits of centralized book purchasing and cataloging, book review and display meetings and informative programs as well as the invaluable service of the State Library Bookmobile. We received a \$100.00 bonus with which to purchase reference materials from a suggested list.

Friends of the Library have kept attractive window displays in the Library, assisted with book processing and served as volunteer librarians when school children visit the library in groups.

Sincere thanks to those individuals who gave so generously of their personal library collections during the past year. Many excellent volumes were added to our bookshelves through donations.

The Friends purchased steel bookshelf units which aided in housing our increasing collection.

I find that I must mention, of necessity, the fact that we have outgrown our physical facilities and express a sincere hope that the efforts of the Library trustees and town officials to solve the problem of our need for more space can be satisfactorily resolved.

POLICE DEPARTMENT REPORT

This has been a very difficult year for the Police Department, with many calls for their services. The Policemen have worked for 1,514 hours and have traveled 8,483 miles, covering many difficult types of crime and complaints.

On Sundays during the summer months, a Police Officer was also assigned to Seeley Park, which resulted in much better crowd control. Officers were also present at all large private parties, at no expense to the Town.

The Police Department is grateful to the Fire Department Association for the gift of a portable radio, which will be very useful to them.

Respectfully submitted,

RALPH H. MILLARD
Chief

FIRE WARDENS REPORT

We had 3 fires and burned a total of 5 acres. Two of these were paid by the land owners and the other cost \$51.95.

I had four reports from the lookout tower to check for smoke. 40 burning permits were issued.

I would like to thank everyone for helping to make our fire record so good.

When the snow is gone there will be no outside burning without a permit and no burning from 9 a.m. to 5 p.m.

In case of any FIRE call 887-3220.

RAYMOND S. BASSETT
Forest Fire Warden

We have carefully examined the accounts of the Selectmen, Treasurer, Tax Collector, Road Agent, Town Clerk, Trustees of Trust Funds and Library Trustees for the year ending December 31, 1967 and find them correctly cast and properly vouched.
